to a Community Meeting on
Morse Road Phase 2 Improvements

Wednesday, June 25, 2008, 5:00 p.m. – 7:00 p.m.
Trinity United Church of Christ
1180 Shanley Drive

Construction is scheduled to begin in July on the second and final phase of the Morse Road Improvement Project, between Karl Road and Cleveland Avenue. The improvements include new drainage lines, sidewalks, bike lanes, street trees, street lights and traffic signals.

Please join Project Manager Carl Walters and Project Designer ms consultants for an overview of plans and to share your concerns.

For additional information and regular construction updates, visit www.pavingtheway.org or call 645-PAVE (645-7283).
